**FOR IMMEDIATE RELEASE  
June 29, 2018**

### **Planned Service Outage for the Lummi Island Ferry**

Whatcom County Public Works would like to inform the public of necessary inspection and maintenance activities to the Lummi Island and Gooseberry Point terminal facilities. Accordingly on Wednesday, July 25, 2018 from 10:10 a.m. to approximately 3:00 p.m. the Whatcom Chief will not be in service. The last morning run from the Gooseberry Point side will be 9:50 a.m. and the last morning run from the Lummi Island side will be 10:00 a.m. In order to fully inspect the terminal facilities, no additional runs will be made to clear the docks after the last posted run time. Please plan accordingly.

The inspection and maintenance activities are weather dependant so the times and/or date may be changed if necessary. In the event a schedule change is necessary, notice will be provided as soon as possible.

The Public Works Department would like to thank everyone in advance for their cooperation and patience during these necessary inspections and maintenance.
