On December 5, 2017, Whatcom County adopted a secure medicine return ordinance, making Whatcom County the 10th jurisdiction in the country to have a widespread medicine return program paid for by pharmaceutical producers. In accordance with Section 24.15.150 of the Whatcom County Code, a third party entity (MedProject or its successor), acting on behalf of producers participating in a stewardship plan, shall pay the health department fees related to:

- Review of a proposed stewardship plan;
- Review of a revision of an approved stewardship plan;
- Petition for approval to use alternative final disposal technologies;
- Agency activities to enforce against non-compliance;
- Annual operating fees and an evaluation.

The Whatcom County 2018 Unified Fee Schedule will need to be amended to reflect the following fees:

Description	Fee
Initial Plan Review – up to 50 hours	\$6,300
Additional Review – Exceeding allotted hours	\$126 / hour

Other fees associated with secure medicine return program implementation and enforcement are included for Executive and Council/Health Board review in the proposed 2019-2020 Unified Fee Schedule.
