The County Council is authorized to establish parking control on certain County Roads. The need for this ordinance exists because of the need to establish parking control during the annual drydocking of the Whatcom Chief. The ordinance would provide for the establishment of such controls during the 1993 dry docking of the Whatcom Chief which is scheduled for May 8 through 28, 1993, and during the drydocking of the ferry in subsequent years.

ORDINANCE NO. 93-022

ESTABLISHMENT OF PARKING CONTROL ON LUMMI VIEW DRIVE
DURING THE ANNUAL DRYDOCKING OF THE WHATCOM CHIEF

WHEREAS, the Whatcom County Council is authorized under RCW 46.61.570 to restrict parking on certain County roads; and

WHEREAS, the County Public Works Department did widen the shoulder along the southerly shoulder of Lummi View Drive to provide temporary parking space for vehicles during those periods each year when the Lummi Island Ferry is in drydock; and

WHEREAS, use of the southerly shoulder of Lummi View Drive for parking of vehicles, other than for emergency purposes, is undesirable when the Lummi Island ferry remains in operation; and

WHEREAS, passage of this ordinance is necessary for the preservation of the public peace, health, or safety or support of the County government and its existing institutions during those times when the ferry is in drydock; and

WHEREAS, the restrictions imposed by this ordinance will be in effect only during the period of the annual drydocking of the ferry;

NOW, THEREFORE, BE IT ORDAINED that a "No Parking without Permit at Any Time, Tow Away Zone" be established on the southerly shoulder of Lummi View Drive from 100 feet westerly of Finkbonner Road to Lena Street, Section 3, Township 37 North, Range 1 East and Section 34, Township 38 North, Range 1 East. This parking restriction does not apply to those vehicles with properly displayed permits issued by the Whatcom County Department of Public Works to users of the Lummi Island Ferry during times that the Lummi Island Ferry is out of service and temporary parking is required, except that the no parking provisions within this Ordinance shall remain in force for any vehicle not displaying the appropriate permit.
