The county purchased a new chip spreader at the beginning of the year, choosing not to trade in the old one because the offer was too low. Warren Laing, Equipment Manager, has received an offer from Gilliam County, Oregon, to purchase the old chip spreader for \$18,000. If declared surplus, it is proposed that the chip spreader be sold following the procedures in WCC 1.10.240 for intergovernmental sales of personal property. The Equipment Manager will be authorized to sell the item for that price.
