Vehicles that have reached the end of their useful life in the Sheriff's Department and have been replaced include fifteen patrol sedans, a van, a pickup truck, and a utility vehicle. They are owned by the Public Works Department Equipment Rental Fund. Last year the City of Tacoma apparently negotiated the sale of their surplus police vehicles to the City of Vladivostok in Russia for a substantially better than normal return. This year Public Works and the Sheriff's Department are requesting the authority to negotiate the sale of the vehicles listed on the attached Exhibit A to Vladivostok or to another Russian city together with the City of Bellingham. Sale will be conditioned on a better than normal return. If negotiations are not successful, the vehicles will be held for sale at the annual county public auction in September.

CLERK'S RECOMMENDED MOTION (for final action):

I move that the Council hold a public hearing to consider sale of the property.
