SUBJECT:

Combined Treatment Services has \$5,000.00 in a Revolving Fund. In the past this has been "sunseted." This ordinance will reduce the revolving fund to \$3,000, eliminate a "sunset" date, and add language which reads, "Expenditures processed will be those that cannot be processed through existing Whatcom County purchasing procedures and meet the needs of Mental Health and Substance Abuse consumers timely." The fund is used to provide services to the Mentally Ill and Substance Abuse/Prevention consumers in the community.

The expenditure of funds is reimbursed by contract from North Sound Regional Support Network, DSHS Division of Substance Abuse, and Washington State Traffic Safety Commission.
