This action would streamline the regulatory process and avoid some unnecessary complexity. Adopting this as a permanent control is not proposed because this would require, at a minimum, Planning Commission work sessions and public hearings, more in-depth SEPA review, and joint planning efforts with the Lummi Nation. The action substitutes Chapter 2.24A zoning designations with Title 20 zoning designations on an interim basis and repeals Chapter 2.24A in its entirety.

ORIGINATOR'S RECOMMENDED ACTION: The Director of Planning & Development Services recommends the Council adopt the proposed ordinance.
