Re: The Evergreen Water-Sewer District
Petition for Formation

Dear Ms./Sir:

Attached is the original Petition for the Formation of the Evergreen Water-Sewer District submitted by voters residing within the area concerned who meet the criteria of RCW 57.04.030. That section requires that we present this petition to the "county legislative authority." Presumably, someone in your office will then file the petition with the county Auditor to verify the necessary signatures.

I would appreciate being kept abreast of the progress of the petition through its various stages of processing. If you have any questions, please do not hesitate to call either me or Mr. Forrest McElroy at (360) 599-2931.

Very truly yours,
