**ORDINANCE NO. 2007-070**  
**AN ORDINANCE ADOPTING THE 2008**  
**WHATCOM COUNTY UNIFIED FEE SCHEDULE**

**WHEREAS**, this ordinance centralizes the listing of fees charged by Whatcom County; and,

**WHEREAS**, fees set by Washington State law will not be listed in the adopted fee schedule due to various timing and consistency conflicts.

**NOW, THEREFORE, BE IT ORDAINED** by the Whatcom County Council that the Whatcom County Unified Fee Schedule is hereby adopted as of January 1, 2008, as detailed in Exhibit A to this ordinance.

**BE IT FURTHER ORDAINED** that department directors may propose to the County Executive a reasonable charge or fee for providing services, privileges or products if the charge is not listed in the adopted Unified Fee Schedule. The fee may include the cost for the use (by any person) of any departmental equipment necessary to provide the service, privilege or product. Fees shall not exceed the amount necessary to reimburse the department for its actual costs incident to such service, privilege or product. During the year, upon a showing of sufficient justification, the County Executive may add new fees or adjust fees set by the Unified Fee Schedule by way of Executive Order. If the fee is an ongoing standard charge, it shall be included in the next annually-proposed unified fee schedule ordinance as a new fee.

**BE IT FINALLY ORDAINED** that, if any portion of this ordinance is found to be unlawful, all remaining portions shall remain in effect.
