ORDINANCE NO. 2008-012

**AMENDING WHATCOM COUNTY CODE 11.32,
BOATING AND SWIMMING, SPECIAL RESTRICTIONS**

WHEREAS, pursuant to the Whatcom County Home Rule Charter, the legislative power of Whatcom County is vested in the Whatcom County Council; and

WHEREAS, the Whatcom County Council is elected to represent the concerns of the citizens of Whatcom County and is charged with the broad responsibility of protecting the health, safety and general welfare of the public and the environment; and

WHEREAS, the Washington Department of Fish and Wildlife has requested a change in the law regarding the use of boat and other watercraft motors on the waters of Lake Terrell; and

WHEREAS, Lake Terrell has traditionally and historically been used as habitat for migratory birds and other significant wildlife; and

WHEREAS, because of its small size and location, wakes from motor boats can cause irreparable harm to many, including sensitive species of wildlife; and

WHEREAS, the Whatcom County Council finds that further restrictions imposed by the County on the use of motors will likely reduce the problems cited; and

NOW THEREFORE, BE IT ORDAINED by the Whatcom County Council that Whatcom County Code 11.32 is hereby amended as indicated in Exhibit A to this ordinance.
