RESOLUTION NO. 2009-054

AUTHORIZING THE PREPARATION OF A REASSESSMENT ROLL FOR PROPERTY WITHIN THE BOUNDARIES OF WHATCOM COUNTY ROAD IMPROVEMENT DISTRICT NO. 2 (MARINELAND LIGHTING DISTRICT)

WHEREAS, on November 21, 1985 the Whatcom County Council certified the reassessment roll, showing the schedule of apportionment of cost of the Marineland Lighting District, after public hearing was duly held as provided for in RCW 36.88.090; and

WHEREAS, it has been determined that the total amount of assessment collected on said roll is not equal to the cost of the present lighting system; and

WHEREAS, it is deemed advisable by the Whatcom County Council to set aside said assessment roll as approved on November 21, 1985, and authorize the preparation of a reassessment of property within the boundaries of said Lighting District.

NOW, THEREFORE, BE IT RESOLVED by the Whatcom County Council that the reassessment roll for Whatcom County Road Improvement District No. 2 shall be set aside and a reassessment of all property within said District is hereby ordered; such assessment shall be prepared by the Whatcom County Engineer and assessment shall be made by the per parcel method, which is deemed by this Council to be the most practicable and equitable under the conditions prevailing.

BE IT FURTHER RESOLVED that this and succeeding annual assessments will be based on a Whatcom County Department of Public Works fee of **\$2.00 per account per year and the actual cost of maintenance and power charges of Puget Sound Energy, but shall not exceed \$70.00 per parcel.**

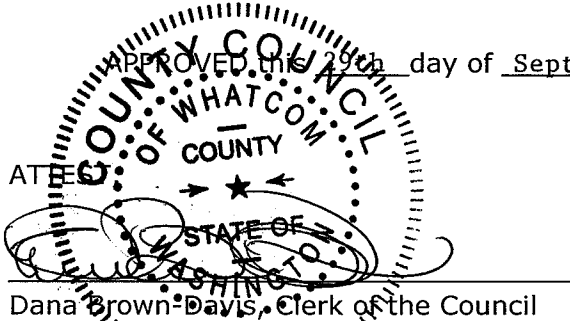

BE IT FURTHER RESOLVED that the County Council anticipates receipt and acceptance of the new proposed assessment roll on or about October 13, 2009.

BE IT FURTHER RESOLVED that a resolution confirming the assessment roll and certifying it to the County Treasurer for collection will be introduced at the Council's October 13, 2009, meeting.

BE IT FINALLY RESOLVED that a public hearing on the certification resolution will be scheduled before the County Council, acting as the County Board of Equalization, on November 10, 2009.

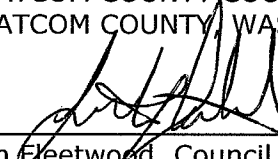

APPROVED, this 29th day of September, 2009.
