PROPOSED BY: Barbara Brenner

INTRODUCTION DATE: 07/27/2010

**RESOLUTION NO.** 2010-030

**RECOMMENDING APPROVAL OF THE BANK REPAIR PROJECT AT DOZER CORNER**

**WHEREAS**, the Flood Control Zone District Board of Supervisors may at any time authorize expenditures of flood tax revenues for flood purposes, including, but not limited to, projects that reduce flood hazards and for repairs of the Nooksack River flood control system; and

**WHEREAS**, members of the Acme-Van Zandt Subzone have identified a potential flood hazard at a location commonly known as Dozer Corner; and

**WHEREAS**, the Flood Control Zone District Advisory Committee has requested a review of an interim bank repair project at Dozer Corner by its Project Review Subcommittee and has not yet rendered a recommendation about the priority of the work; and

**WHEREAS**, the window for in-stream construction on the Nooksack River closes on August 15, 2010, rendering a timely decision by the Advisory committee problematic for permitting and construction of a bank repair project; and

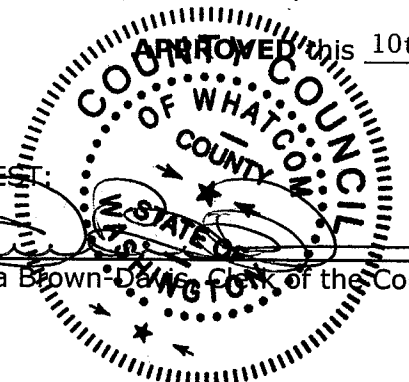

**WHEREAS**, the Acme-Van Zandt Subzone wishes to immediately advance the work at Dozer Corner.

**NOW, THEREFORE, BE IT RESOLVED** that the Whatcom County Flood Control Zone District Board of Supervisors support advancing an Interim Dozer Bend Bank Repair Project to be paid for 100 percent by the Acme/Van Zandt Flood Subzone.

APPROVED this 10th day of August, 2010.

ATTEST:

  
Dana Brown-Davis, Clerk of the Council

WHATCOM COUNTY COUNCIL  
WHATCOM COUNTY, WASHINGTON

  
Sam Crawford, Council Chair

APPROVED AS TO FORM:
