**The CERT Program is 27 hours long (usually three hours a day, one day per week). There is currently a \$50 course fee that includes the cost of required safety equipment (green helmet, safety glasses, work gloves, latex gloves, dust masks and CERT identification vest). All fees will be collected on or before the first night of class. (Some cost accommodation is possible.)**

**There is a requirement to attend all sessions to complete the course. Applicants must be at least eighteen years of age (14 years of age if accompanied by a parent also taking the course) to attend. Reading assignments with study questions are given each week. Students should dress appropriately as there is some minor physical activity related to this course including bending and lifting.**

**Classes are limited in size and will be filled on a first come, first served basis.**

**CLASS CONFIRMATION AND ADDITIONAL INFORMATION WILL BE SENT TO YOU UPON ACCEPTANCE TO THE CERT PROGRAM.**
