

Whatcom County Health Department  
 Immunization Program  
 1500 N State Street, Bellingham WA 98225  
 (360) 676-4593

**Whatcom County Community Flu Clinics 2010-2011**

Flu shots are available to the public at the following locations. This list only includes locations provided to the health department. The list is updated regularly.

Flu vaccine may also be available at your doctor's office or pharmacy.

The 2010-11 flu vaccine will protect against three flu viruses: H3N2 virus, influenza B virus and the H1N1 that was the circulating virus during 2009-2010 season.

Cost of vaccine varies. The community clinics below will bill Medicare Part B unless noted under clinic name. Group Health Members – Please contact your own provider for services.

**Whatcom County Health Department is offering a flu clinic on Wednesday, January 19 from 2:30 to 5:00 PM at the Mission Drop-In Center at 1012 W. Holly Street, Bellingham. There will be no charge for the vaccine.**
