Whatcom County Community Seasonal Flu Clinics 2009-2010

Seasonal flu shots are available to the public at the following locations. This list only includes locations provided to the health department. This table is available at the health department flu vaccine web site at www.whatcomcounty.us/health and is updated regularly.

For information about H1N1 vaccine availability, please go to <http://www.em.whatcomcounty.org/go/site/2040/>

Seasonal flu vaccine may also be available at your health care provider's office.

Cost of vaccine varies. The community clinics below will bill Medicare Part B unless noted under clinic name. Group Health Members – Please contact your own provider for services.
