

Days 1–15

Protect Your Vaccines

Check Temperatures Twice a Day!

TEMPERATURE MONITORING LOG

Mo./Yr.: \_\_\_\_\_

Clinic Name: \_\_\_\_\_

**Instructions:** Place an “X” in the box that corresponds with the temperature. The shaded zones represent unacceptable temperature ranges. If the temperature recorded is in the shaded zone: 1. **Store the vaccine** under proper conditions as quickly as possible, 2. **Call the immunization program at Whatcom County Health Department** for assistance: **(360) 676-4593**, and 3. **Call the vaccine manufacturer(s)** to determine whether the potency of the vaccine(s) has been affected.
