Subject: My Opinion Concerning UGA 2031 and the Feb 17th County Council and Planning CommissionMeeting

Dear Matt Aamot,

I live in Whatcom County and want to keep it that way. I live in the Belfern Estates area North of the Smith Road. Ferndale City limits are getting closer to my neighborhood and that concerns me. I do not want to be part of the City of Ferndale! Ferndale does not need to grow on the eastern front. They have enough land already and most of it is on the west side of I5 and that's where they have room to grow. Please contain them to the area they already have.

Again, don't come my way! My neighbors and I don't want to be part of Ferndale.

Thank you,

David Lancaster
