**FOOTHILLS SUBAREA PLAN ADVISORY COMMITTEE  
RECORD OF DECISIONS & RECOMMENDATIONS  
FOR THE 6/21/06 MEETING**

Date: June 27, 2006  
To: Foothills Subarea Plan Advisory Committee  
From: Matt W. Aamot, Whatcom County Planning & Development

At the June 21, 2006 meeting, the Foothills Subarea Plan Advisory Committee made the following decisions and recommendations:

1. **Subarea Boundary** - The Committee unanimously recommended revising the Foothills Subarea Boundary north of Deming so that essentially all of the Swift Creek, Dale Creek and Smith Creek watersheds are excluded from the Foothills Subarea as shown on the attached map (these watersheds are in the Lynden-Nooksack Valley Subarea). With this modification, the Foothills Subarea will be approximately 137,499 acres (or 215 square miles). This modifies a previous boundary recommendation made at the March 29, 2006 meeting.
2. **July 19, 2006 Meeting Location** - The committee unanimously decided to accept an invitation extended by the Nooksack Tribe to hold the July 19 Advisory Committee meeting at the Casino administrative building in Deming, located at 5061 Deming Rd.
3. **Public Participation** – The committee formed a subcommittee to recommend the design for 7 “sandwich board” signs that would be placed at roadside locations to alert the public to meetings.
