

Whatcom County Land Disturbance and Clearing Application Information

This Hand-Out Has Important Information Regarding Application Requirements,
 Additional Permitting, And Contacts.

FLAGGING	<p><i>SITE MUST BE FLAGGED!</i> <i>Fees will be imposed for additional site trips and inspections</i></p> <ul style="list-style-type: none"> • All proposed project areas must be identified on site with clearly marked stakes and flagging. • Site location must be visible from road by <u>address, name or flagging</u>. • Call the Land Disturbance Coordinator when site is flagged and ready to be inspected at (360) 676-6907. • Project review will be delayed if site is not properly staked and/or flagged.
-----------------	---

CONTACT	<p><i>WHATCOM COUNTY NATURAL RESOURCES OFFICE (360) 676-6907</i></p> <p>Please be advised that staff have scheduled appointments and daily site inspections making their availability limited.</p> <ul style="list-style-type: none"> • Land Disturbance - General inquiries for permit requirements, application in-take, permit review, status and issuance. • Critical Areas – Wetlands, Streams, and Habitat Conservation Areas– review, inspection, mitigation, and monitoring. • Critical Areas – Geology – Geological Hazards – review, inspection, mitigation, and monitoring. • Watersheds - Lake Whatcom, Lake Padden, Lake Samish, Drayton Harbor, and Birch Bay – may require review and inspection. • Cultural Resource Management - properties located within 500 feet of known archaeological sites must be assessed for the presence of archaeological resources prior to the issuance of County development permits.
----------------	--

FILL, GRADE & CLEARING	<p><i>FILLING, GRADING and CLEARING</i></p> <ul style="list-style-type: none"> • Any fill, grade, clearing within 300 feet of critical areas requires review and approval from Whatcom County prior to commencing any project work. • Any fill or grade in excess of 50 cubic yards (approx. 5 dump trucks) requires a Land Disturbance Permit. • Any material moved off-site in excess of 50 cubic yards may require a separate Land Disturbance permit. • Any activity that exposes more than 500 square feet of soil between October 1 and May 31 OR that exposes more than 5,000 square feet of soil between June 1 and September 30 within the Lake Whatcom, Lake Samish or Lake Padden watershed requires a Land Disturbance Permit. • Filling and grading cannot start before approval from Planning and Development Services. In the Lake Whatcom, Lake Samish and Lake Padden watersheds, Land Disturbance Permits will not be issued two weeks prior to the closure dates of October 1 through May 31. • All building permits require a Land Disturbance Application (unless no fill or grading is proposed).
---	--

FOREST PRACTICES	<p>FOREST PRACTICES INFORMATION</p> <ul style="list-style-type: none"> • If your project involves the harvest of forest land (forest practices as defined in Washington Administrative Code (WAC) 222-16-050 a Forest Practices Application/Notification is required. • For questions related to permit requirements, or to obtain a Forest Practices Application, contact the Washington State Department of Natural Resources (DNR) at (360) 856-3500. • Failure to obtain an approved Forest Practices Application/Notification from DNR prior to conducting forest practices is a violation of state law and may result in enforcement action and a six-year development moratorium on property.
RIGHT OF WAY	<p>WORKING IN COUNTY/STATE ROAD RIGHTS-OF-WAY MAY REQUIRE ADDITIONAL PERMITTING!</p> <ul style="list-style-type: none"> • Any work that utilizes a new or existing access off of a public road right-of-way may require a Revocable Encroachment Permit, Trail Permit, and/or a possible drainage study from Whatcom County's Engineering Division (360) 676-6730. • For any work in the State highway right-of-way contact the Washington State Department of Transportation (WSDOT) at (360) 788-2500.
SITE PLAN	<p>SCALED SITE PLAN REQUIRED</p> <ul style="list-style-type: none"> • The following information must be put on the scaled site plan and be consistent across the site plan. <ul style="list-style-type: none"> ○ All buildings, existing and proposed. ○ Parking, access roads and driveways. ○ Critical areas (e.g.: wetlands, streams) located. ○ Ditches. ○ Property lines, corner pins. ○ Topography (contours, slope grade). ○ Utilities. ○ Erosion and Sedimentation Control Measures. • Show any trees that are to be removed. • <i>Incomplete or inadequate site plan can significantly delay processing.</i>
SEPA	<p>STATE ENVIRONMENTAL POLICY ACT (SEPA)</p> <ul style="list-style-type: none"> • Fill and grade in excess of 499 cubic yards that is not associated with a single-family residence requires a SEPA determination. • All Class IV Forest Practice Applications (FPAs) require a SEPA determination and a clearing permit.
SHORELINE JURISDICTION	<p>WHATCOM COUNTY SHORELINE MANAGEMENT PROGRAM (360) 676-6907</p> <ul style="list-style-type: none"> • If your lot is within the jurisdiction of the Shoreline Management Program you are required to obtain approval via a shoreline permit pursuant to WCC 23.60.01. This Land Disturbance Application will not be accepted. Please contact a shoreline administrator for proper permit application materials.
UTILITIES	<p>BONNEVILLE POWER ADMINISTRATION EASEMENT</p> <ul style="list-style-type: none"> • Whatcom County requires a letter of approval from Bonneville Power Administration (BPA) authorizing any filling, excavation, or clearing in their easement. Contact BPA at (360) 568-2943 or (800) 836-6619.
DIGGING	<p>CALL BEFORE YOU DIG – IT'S THE LAW</p> <ul style="list-style-type: none"> • For One Call Locates in Washington call 1-800-424-5555. For additional information go to Washington Utilities Coordinating Council at http://www.wucc.org.

Whatcom County Land Disturbance Application Submittal Information

The Information Below Is Required For Submittal Of A
Whatcom County Land Disturbance Application.

(Note: submittal of an application does not vest the project to a submittal date or deem the application package complete)

- _____ Completed Whatcom County Land Disturbance Application.
- _____ Cash or check for payment.
- _____ Site plan with a north arrow and a scale consistent across the site (see Important information regarding application requirements above for site plan requirements).
- _____ Written narrative describing the purpose of the proposed action and future plans.
- _____ Whatcom County Health Department approved Septic Design (if applied for as part of Land disturbance application).
- _____ Zoning/Land Use consistency approval.
- _____ Land Use Agreement (if proposed work is in an easement and/or on land owned by someone else).
- _____ For any projects located within the Lake Whatcom, Lake Samish, or Lake Padden Watersheds, calculations showing the amount of existing tree canopy along with the amount of tree canopy to be removed (already asked for on the LDP application) must be submitted. Existing and proposed impervious surface calculations (including gravel driveways) must also be shown on the site plan.

(Note: Incomplete applications are not accepted)

LDP # _____

- Answer all questions as completely and accurately as possible.
- Provide an adequate site plan (see example).
- Sign and date your application.
- Application fee will apply upon submittal.

FPA NUMBER (if applicable)						
If your project includes any tree cutting, a Forest Practices Application / Notification may be required. For questions related to permit requirements, contact the Washington Department of Natural Resources (DNR) at 360-856-3500.						

2009 International Building Code 105.3.12 Time limitation of application. An application for a permit for any proposed work shall be deemed to have been abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued; except that the building official is authorized to grant one or more extension of time for additional periods not exceeding 90 days each. The extension shall be requested in writing and justifiable cause demonstrated.

2009 International Building Code 105.5 Permit Expirations. Every permit issued under the provisions of this code shall expire and become null and void if the work authorized by such permit is not commenced within 180 days from the date of issuance of such permit, or if the work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 days. The building official is authorized to grant in writing, one or more extensions of time, for a period not more than 180 days each. The extension request shall be in writing and justifiable causes demonstrated. If the permit has expired, before such work can recommence, a new permit shall be first obtained to do so, and the fee therefore shall be one half the amount required for a new permit for such work, provided no changes have been made, or will be made in the original plans and specifications for such work; and provided, further that such suspension or abandonment has not exceeded one year.

VENUE AND JURISDICTION: The parties hereto recognize and agree that the venue of any action involving their rights or obligations related to this application shall be in Whatcom County, and the parties' rights and obligations hereunder shall be determined in accordance with the laws of the State of Washington.

FEE GUARANTY: Notwithstanding that this application has been submitted in the name of a company, I personally guarantee payment of the fees accrued according to the terms listed in the Whatcom County Unified Fee Schedule and agree to be bound personally as a principal and not as a surety. I recognize that my personal guarantee is part of the consideration for review of the application.

I understand that this application does not grant authorization to begin work, and that no work will begin until a permit / authorization is issued. The above information and statements are true and accurate to the best of my knowledge.
