Re: Proposed Comp Plan change (my letter of 8/26/11)
File # PLN 2011-00020
Birch Bay Rezone (R5A to R10A)

Dear County Planning Officials,

In addition to my suggested Comp Plan amendment to Policy 2K-1 from last Friday, it has been suggested that the "Goal 2K" language also be amended to reflect the prior goal statement regarding Nooksack River flooding.

Therefore, I propose the Goal 2K be amended to read as follows:

GOAL 2K: Discourage development in Nooksack River flood areas and associated upstream alluvial areas prone to flooding.

Sincerely,

Sam Crawford, Councilmember
Whatcom County Council
