Subject: Regarding the Foothills Subarea Committee Recommendations

CC: <verjo@kendallwatch.us>
Hello:

We ask that the our comments be entered into public record. My husband and I would like to express our support of the Sub area Committee's majority recommendations as submitted to planning. This is a quality of life issue. As prices rise for gas and food the need rises for services here in the Columbia Valley.

We need a full service grocery store, which would make less traffic on MT Baker Hwy and would keep the money here in the Columbia Valley area.

Doing away with the UGA here in the Columbia Valley will not stop the growth.

Thank you for your time.
