Re: Foothills Subarea Plan  
Public Comments

Dear Mr. Stalheim:

Thank you for separating our letter of January 8, 2008, (a response to the Determination of Significance (DS) and Adoption of Existing Environmental Document for the Foothills) and the November 29, 2007, supplemental memo to the Minority Report. We appreciate your placing our supplemental memo to the Minority Report on the web page as requested.

Sincerely,

Jan Eskola on behalf of
