RE: Point Roberts Water Availability

Dear Mr. Schroeder

We have been asked to verify water availability for the Point Roberts Beach Club project which contains 103 homes and a clubhouse. Currently, Point Roberts Water District #4 has capacity to serve the 103 homes and clubhouse. The District is licensed to serve 2953 ERU's and we currently serve 2250.

Service is subject to the applicant's agreement to comply and perform to make such installation and/or connections to the standards, requirements, conditions and regulations of the Point Roberts Water District #4. This District is not representing that its facilities will be extended to make such service available to the applicant. It is the responsibility of the applicant to make any required extensions of facilities to serve their property.

I hereby certify that the above water purveyor information is true.
