## WILL SERVE LETTER

In response to a request by Red Mountain Estates , Owners S.C. Goshen LLC and Holly and Associates LLC , Whatcom County Fire District #14 provides the following:

Whatcom County Fire District #14 is a rural fire department providing both Fire and Emergency Medical Service to Sumas, Kendall, Welcome and Maple Falls service area. We will continue to work to improve our level of service to the public we serve. At best, a Rural level of service will be provided under applicable National Fire Protection Association Standard, NFPA 1720.

Improvement upon the level of service is dependent upon many factors, most notable, increased volunteerism (which is contrary to national trends) and voter approved levy increases. There is no certainty that the district can improve its level of service beyond a "rural" level.

Please be aware that this is not a concurrency letter.
