Subject: Whatcom County Rural Element Update - Planning Commission schedule change

Good afternoon,

The Planning Commission has changed its meeting date due to several schedule conflicts with the original April 30 meeting date. The Planning Commission will hold a work session on the Rural Element Update on Thursday, April 23, at 6:30 pm in the County Council Chambers in the County Courthouse, 311 Grand Avenue in Bellingham. At this session the Commission will deliberate on the information presented by staff and citizens at last night's public hearing and provide direction to staff on general policy questions. There will be no Planning Commission meeting on April 30, and if more discussion is needed it may take place at the next scheduled Planning Commission meeting date, May 14. Even though the public hearing is now closed, staff will continue to receive written comments and post them to the County's web site at <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/updateprocess.jsp>

Thank you
