Subject: Whatcom County Rural Element - April 13 meeting

Good afternoon:

The Rural Element Update is again scheduled to be discussed at the County Council's Planning and Development Committee meeting on Tuesday, April 13 at 3:00 pm in the Council Chambers, 311 Grand Ave, Bellingham. This will be a continuation of the March 30 discussion focusing on the requirements of the Growth Management Act and the recommendations made by the Planning Commission last year. It is anticipated that this meeting will involve more detailed discussion of proposed changes to zoning maps and comprehensive plan designations (LAMIRD boundaries). As before, because this is an information session for the Council committee, public input is not likely to be sought. When the County Council schedules a public hearing for the Rural Element Update; you will be notified and invited to participate.

The agenda for April 13 is posted at <http://www.whatcomcounty.us/council/meetings/council/packet/agenda.pdf> (the Planning and Development Committee meeting is on page 4). If you have any questions regarding the meeting or the topics to be discussed, please let me know.
