**Subject:** Whatcom County Rural Element - May 25 meeting

Good afternoon:

The Rural Element Update is again scheduled to be discussed on Tuesday, May 25 at 3:00 pm in the Council Chambers, 311 Grand Ave, Bellingham. This is a special Council Committee of the Whole meeting and not a Planning and Development Committee meeting, but it will be a continuation of the discussions at the March 30, April 13, April 27, and May 11 Planning and Development Committee meetings. It is anticipated that this conversation will focus on alternative maps for residential areas where no LAMIRDs were recommended by the Planning Commission. There are other items on the agenda which will require time for discussion, so it's unknown how much time will be devoted to this item. As before, because this is an information session for the Council committee, public input is not likely to be sought. When the County Council schedules a public hearing for the Rural Element Update; you will be notified and invited to participate.

The agenda for May is posted at <http://www.whatcomcounty.us/council/meetings/council/packet/agenda.pdf> (the Committee of the Whole meeting is on page 3).

If you have any questions regarding the meeting or the topic to be discussed, please let me know.
