Subject: Whatcom County Rural Element - June 22 meeting and future meetings

Good afternoon:

The Rural Element Update is again scheduled to be discussed on Tuesday, June 22 in the Council Chambers, 311 Grand Ave, Bellingham. This is a special Council Committee of the Whole meeting immediately following the 2:00 Planning and Development Committee meeting. It is anticipated that this conversation will focus on alternative maps for residential areas where no LAMIRDs were recommended by the Planning Commission, as a follow-up to the May 25 discussion on the same topic.

Additional meetings are tentatively scheduled for the afternoon of July 13 and, if necessary, July 27. A public hearing on the Rural Element may occur as soon as September.

Note: these meetings are a separate process from the public hearing on the Urban Growth Area review scheduled for the evening of July 13. There is more information on that meeting on the County Council's web site at <http://www.whatcomcounty.us/council/index.jsp>

The agenda for June 22 is posted at <http://www.whatcomcounty.us/council/meetings/council/packet/agenda.pdf> (the Committee of the Whole meeting is on page 3).

If you have any questions regarding the meeting or the topic to be discussed, please let me know.
