**Subject:** Whatcom County Rural Element Update - February 15 meeting

Good morning,

The Rural Element Update is scheduled to be discussed again on Tuesday, February 15 in the Council Chambers, 311 Grand Ave, Bellingham. This special Council Committee of the Whole meeting is scheduled to begin at 1:00 p.m. At this work session the Council will review draft zoning maps and comprehensive plan maps (including proposed LAMIRD boundaries), likely beginning with areas along the Guide Meridian. The agenda for February 15 is posted at <http://www.whatcomcounty.us/council/agendas.jsp> (under "Agendas for upcoming special meetings"). A public hearing to consider adoption of the rural element ordinance, and to receive public testimony, will be scheduled in the coming weeks.

At the February 8 meeting, the Council finished its initial review of the draft comprehensive plan amendments. The most recent version of that draft, dated February 9, is posted at <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/proposed.jsp>.

If you have any questions regarding the meeting or the topic to be discussed, please let me know.
