Subject: Whatcom County Rural Element Update - February 17 meeting

Good afternoon,

The Rural Element Update is scheduled to be discussed again on Thursday, February 17 in the Council Chambers, 311 Grand Ave, Bellingham. This special Council Committee of the Whole meeting is scheduled to begin at 12:00 noon. At this work session the Council will review draft zoning maps and comprehensive plan maps (including proposed LAMIRD boundaries), continuing to study areas along the Guide Meridian. A public hearing to consider adoption of the rural element ordinance, and to receive public testimony, will be scheduled in the coming weeks.

At the February 8 meeting, the Council finished its initial review of the draft comprehensive plan amendments. The most recent version of that draft, dated February 9, is posted at <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/proposed.jsp>. At the February 15 meeting, the Council began studying maps of proposed zoning and LAMIRD boundaries along the Guide Meridian.

If you have any questions regarding the meeting or the topic to be discussed, please let me know.
