Subject: Whatcom County Rural Element Update - March 29 Public Hearing

Good afternoon,

This is a reminder that a public hearing on the Rural Element ordinance is scheduled for the Tuesday, March 29 County Council meeting, 7:00 p.m. in Council Chambers, 311 Grand Ave, Bellingham. The ordinance that was introduced on March 15 is available at <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/proposed.jsp>.

The written record is open for public comments prior to the meeting. Written comments can be directed to me at this e-mail address, to the County Council, or to pds@co.whatcom.wa.us. As always, written comments are posted at <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/comment.jsp>.

To provide more information on the proposed amendments, PDS has posted an updated draft of its "LAMIRD Report" on the website at <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/updateprocess.jsp> under "Documents." This draft reflects the maps from the March 15 draft and provides summaries of each affected area as well as acreage and buildout breakdowns.

If you have any questions regarding the meeting or the draft materials, please let me know.
