Subject: Whatcom County Rural Element Update - April 12 meeting

Good afternoon,

After hearing testimony at last night's public hearing on the Rural Element amendments, the County Council voted to continue discussion at a Committee of the Whole work session on April 12, 2011, and hold the written record open for additional comments until **5:00 p.m. on April 5**. No changes were made last night to the draft ordinance that was introduced on March 15. That draft is still posted on the "Proposed" page of this web site, <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/proposed.jsp>.

Any changes made at the April 12 work session could be included in a new ordinance to be introduced at the regular Council meeting that night. Adoption of that ordinance could take place following a public hearing at the April 26, 2011 County Council meeting.

If you have any questions regarding the meeting or the draft materials, please let me know.
