Good afternoon,

This is a reminder that the County Council will continue discussion at a Committee of the Whole work session on Tuesday, April 12, 2011. That session is scheduled for 11:00 a.m. at the Council Chambers, 311 Grand, Bellingham. The agenda for the April 12 meeting, and the staff memorandum on some of the issues that may be discussed, are available at <http://www.whatcomcounty.us/council/meetings/council/packet/agenda.pdf> (click on the agenda bill number to read the memo).

The draft ordinance that was introduced on March 15 is still posted on the "Proposed" page of this web site, <http://www.whatcomcounty.us/pds/plan/long/projects/lamird/proposed.jsp>. Any changes made at the April 12 work session could be included in a new ordinance to be introduced at the regular Council meeting that night.

If you have any questions regarding the meeting or the draft materials, please let me know.
