

## Baker Lake Road / Sulphur Creek Bridge #422 - CRP #908013 2010 Annual Construction Program

**Construction Funding Year(s):** 2010

**Project Narrative:**

This project is located in the Mount Baker National Forest, 2.05 miles north of the Skagit County line & west of Baker Lake in Section 25, T37N, R8E. In November of 2006, scour caused by heavy rains and debris undermined the southern bridge approach. Further damage caused by a storm event on December 3<sup>rd</sup>, 2007 closed the bridge. A temporary one-lane bridge was placed over the creek in the winter of 2007-2008. The project scope includes installation of a permanent bridge and mitigation (bank protection) to safe guard county facilities (road) and allow the creek to migrate naturally. This project is listed #7 on the 2010–2015 Six Year Transportation Improvement Program.

**New Construction  
 Features:**

Total Width	30'
Lane Width	12'
Shoulder	3'
Curb / Gutter	N/A
Bridge Length	112'

**Project Status:**

Design of the replacement structure is underway. Construction will be in 2010 during the fish window.

**Project Funding:**

	2010	Total
Federal / State	\$1,225,000 (FED ER)	\$1,225,000 (FED ER)
Local	\$ 190,000	\$ 190,000
<b>Total</b>	<b>\$1,415,000</b>	<b>\$1,415,000</b>

**Environmental Permitting (Agencies/Permits):**

HPA, Sec. 404 Clean Water Act, Shorelines, SEPA, CLR/CAO, Sec 401 Water Quality Certification

**Right-of-Way Acquisition (\$ Estimate):**

N/A

**County Forces (\$ Estimate):**

To Be Determined
