

# Reuse It Whatcom

Unwanted household items may seem like **trash** to you, but to someone else those items might be a **treasure!** Reuse by finding a new home for:

- Appliances and electronic goods
- Autos and auto parts
- Books
- Building materials
- Children's items
- Clothing
- Furniture
- Office equipment
- Packing materials
- Sports equipment
- Tools

Inside this brochure is a list of resources for recycling and donation.

## In the market for something new?

Instead of buying new, consider repairing, borrowing from a neighbor or a friend, renting, or buying used items. Check the local "yellow pages" for stores nearest you.

Whether you donate items for others to use, use curbside recycling services, and/or drop off materials for recycling, **reusing** and **recycling** helps keep valuable resources from going into the landfill, giving them a chance for a longer life.

Still have questions?  
Call the **Recycling Hotline**  
**360-676-5723!**

# For Pick-Up Only

Try these organizations for pick-up of selected items.
