

## DRIVING DIRECTIONS:

From I-5 take the Slater Road Exit eastbound to the intersection with Northwest Drive. Turn Left. Proceed north to Smith Road. Turn Right. Take the first right (immediately past the soccer fields) and proceed through the gates and into the Central Shop compound, bearing to the right after you pass the gas pumps. Visitor parking is available on the south side of the portable building. The public entrance is located on the east side of the main building.

**CAUTION:** *The Central Shop is an active and dynamic place with a high volume of traffic. Please keep an eye out for other vehicles and obey the posted speed limits at all times.*

## WOOD CHIPS:

Free wood chips are obtainable just outside of the main gate to the Central Shop compound (see map above) on a first-come, first-served basis and are available at no charge. County employees cannot assist with the transferring or loading of wood chips and we are unable to give reports as to the volume of wood chips in the bin.
