

## Whatcom County Drainage Facilities Contractors

The following contractors operate in Western Washington and may be equipped to maintain storm drainage facilities. This list is intended for informational purposes only and should not be construed as an endorsement of any particular company or a guarantee of work quality. Since this is not a complete list of contractors, owners may wish to conduct their own search using key words such as “drainage contractors” in order to compile cost estimates from several companies. Facility owners should confirm that a given company can provide the specific services that are needed.

For more information, contact Alyssa Voelker by emailing [avoelker@co.whatcom.wa.us](mailto:avoelker@co.whatcom.wa.us) or calling 360-778-6273.
