

VOLUNTEER

WILDLIFE ADVISORY COMMITTEE

2 Vacancies

About: The Committee advises the County Planning Department and County Council on the value of wildlife and habitat management issues as they relate to the County Comprehensive Plan, with the goal of integrating wildlife management and protection into the community planning process.

Eligibility: Must live in and be registered to vote in Whatcom County. Technical expertise is preferred, but not required, in: wildlife, habitat, wetlands, natural resources management, wildlife or population biologist, watershed scientist, conservation, forestry protection, agriculture, or land development. Members are appointed to Dec. 31, 2022. The committee meets monthly.
